

# REEDSBURG ROAD BRIDGE REPLACEMENT

## BRIDGE No: WAY-TR 85-0.25

### **Wayne County Engineer's Office (WCEO) Seeks Comments for Bridge Replacement project on Township Route 85 over Fox Run in Wayne County**

Wayne County is proposing bridge replacement located on Reedsburg Road (TR 85); 0.67 mile north of West Old Lincoln Way and Reedsburg road intersection. Temporary easements will be acquired to construct the project.

The detour for TR 85 is as follows:

- The detour route for northbound traffic will be on CR 30A (West Old Lincoln Way) to CR 149 (N. Elyria road), north on CR 149 (N. Elyria road) to USR 250, northwest on USR 250 to TR 140 (Hiner Road), on TR 140 (Hiner Road) to TR 85 (Reedsburg road).
- The detour route for southbound traffic will be on TR 140 (Hiner Road) to USR 250, southeast on USR 250 to CR 149 (N. Elyria road), south on CR 149 (N. Elyria road) to CR 30A (West Old Lincoln Way), on CR 30A (West Old Lincoln Way) to TR 85 (Reedsburg road).

Construction is anticipated to begin July 2025, and last approximately 90 days.

Written comments about the proposed project may be mailed to Eric K. Liew, P.E, P.S., 3151 W. Old Lincoln way, Wooster OH 44691. You can also contact WCEO by telephone (330) 287.5500 or email [ekl@wayne-county-engineer.com](mailto:ekl@wayne-county-engineer.com)
