

DOYLESTOWN ROAD BRIDGE REPLACEMENT

BRIDGE No: WAY-CR 70-1.13

Wayne County Engineer's Office (WCEO) Seeks Comments for Bridge Replacement project on County Route 70 over Chippewa Creek in Wayne County

Wayne County is proposing bridge replacement located on Doylestown Road (CR 70); 0.1 mile west of CR 60 and Doylestown Road intersection. Highway easements and temporary easements will be needed to be acquired for the project.

The detour for CR 70 is as follows:

- The detour route for westbound traffic will be south on CR 60 (Serville Road) to SR 604 (Easton Road), west on SR 604 (Easton Road) to SR 3 (Cleveland Road), north on SR 3 (Cleveland Road) to CR 70 (Doylestown Road).
- The detour route for eastbound traffic will be south on SR 3 (Cleveland Road) to SR 604 (Easton Road), east on SR 604 (Easton Road) to CR 60 (Serville Road), north on CR 60 (Serville Road) to CR 70 (Doylestown Road).

Construction is anticipated to begin July 2026, and last approximately 90 days.

Written comments about the proposed project may be mailed to Eric K. Liew, P.E, P.S., 3151 W. Old Lincoln way, Wooster OH 44691. You can also contact WCEO by telephone (330) 287.5500 or email ekl@wayne-county-engineer.com
