

DOYLESTOWN ROAD & PORTAGE STREET RESURFACING

Wayne County Engineer's Office (WCEO) Seeks Comments for the Resurfacing project on County Road 70 (Doylestown Road) and County Road 5A (Portage Street) in Wayne County

Wayne County is proposing to resurface Doylestown Road (CR070) from the Eastern Corporation limit of Rittman to the Western corporation limit of Doylestown, a distance of 3.17 miles, and Portage Street (CR005A) from Valley View Road (TR062) to the Southern corporation Limit of Doylestown and from the Northern corporation limit of Doylestown to Eastern Road (CR150), a distance of 1.52 miles.

No detours will be required and traffic will be maintained with flaggers throughout the project.

Construction is anticipated to begin May 2027, and last approximately 30 days.

Written comments about the proposed project may be mailed to Ryan Marthey, P.E, 3151 W. Old Lincoln Way, Wooster OH 44691. You may also contact WCEO by telephone (330) 287.5500 or email rpm@wayne-county-engineer.com.
