

# DOYLESTOWN ROAD RESURFACING

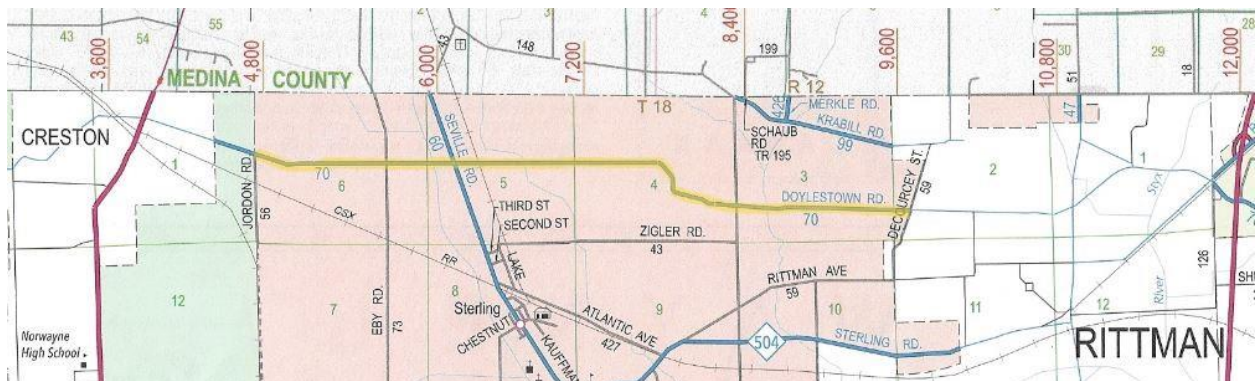

## Wayne County Engineer's Office (WCEO) Seeks Comments for the Resurfacing Project on County Road 70 (Doylestown Road) in Wayne County

Wayne County is proposing to resurface Doylestown Road (CR070) from Jordan Road (TR056) to Decourcy Street (TR059), a distance of 4.28 miles, in Milton Township, Wayne County, Ohio.

No detours will be required, and traffic will be maintained with flaggers throughout the project.

Construction is anticipated to begin May 2028, and last approximately 30 days.

Written comments about the proposed project may be mailed to Ryan Marthey, P.E., 3151 Old Lincoln Way, Wooster, Ohio 44691. You may also contact WCEO by telephone (330)287-5500 or email [rpm@wayne-county-engineer.com](mailto:rpm@wayne-county-engineer.com).
