

## E. BRITTON ROAD BRIDGE REPLACEMENT

BRIDGE No: WAY-TR 178-4.40

### Wayne County Engineer's Office (WCEO) Seeks Comments for Bridge Replacement project on Township Route 178 over Killbuck Creek in Wayne County

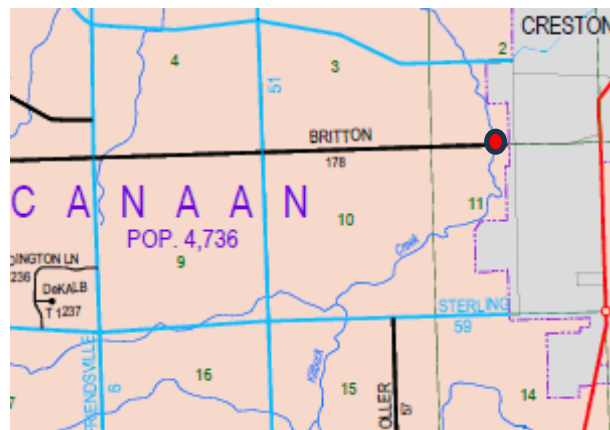

Wayne County is proposing bridge replacement located on E. Britton Road (TR 178); west of Pine Street and E. Britton Road intersection. Temporary easements will be needed to be acquired for the project.

The detour for TR 178 is as follows:

- The detour route for eastbound traffic will be north on CR 51 (Canaan Center Road), east CR 70 (E. West Salem Road), south on Pine Street to TR 178 (E. Britton Road).
- The detour route for westbound traffic will be north on Pine Street, west on CR 70 (E. West Salem Road), south on CR 51 (Canaan Center Road) to TR 178 (E. Britton Road)

Construction is anticipated to begin July 2028, and last approximately 90 days.

Written comments about the proposed project may be mailed to Eric K. Liew, P.E, P.S., 3151 W. Old Lincoln way, Wooster OH 44691. You can also contact WCEO by telephone (330) 287.5500 or email [ekl@wayne-county-engineer.com](mailto:ekl@wayne-county-engineer.com)
