

CANAAN CENTER ROAD BRIDGE REPLACEMENT

BRIDGE No: WAY-CR 51-3.51

Wayne County Engineer's Office (WCEO) Seeks Comments for Bridge Replacement project on County Route 51 over Branch of Killbuck Creek in Wayne County

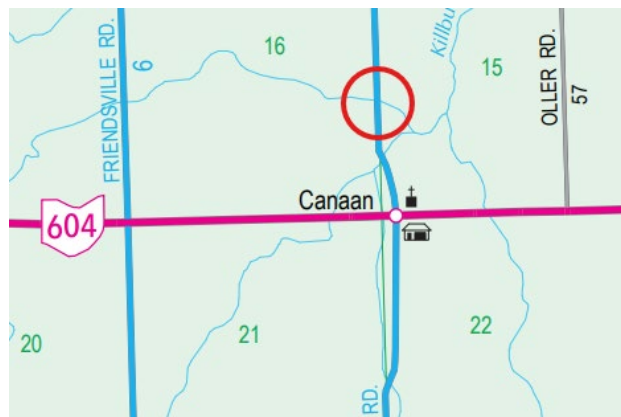

Wayne County is proposing a bridge replacement located on Canaan Center Road (CR 51); north of Canaan Center Road and W. Easton Road (SR 604) intersection. Highway easements and Temporary easements will need to be acquired for the project.

The detour for CR 51 is as follows:

- The detour route for northbound traffic will be west on W. Easton Road (SR 604), north CR 6 (Friendsville Road), east on CR 59 (E. Sterling) to CR 51 (Canaan Center Road).
- The detour route for southbound traffic will be west on CR 59 (E. Sterling), south on CR 6 (Friendsville Road), east on W. Easton Road (SR 604) to CR 51 (Canaan Center Road).

Construction is anticipated to begin July 2031, and last approximately 90 days.

Written comments about the proposed project may be mailed to Stephen Gairing, 3151 W. Old Lincoln way, Wooster OH 44691. You can also contact WCEO by telephone (330) 287.5500 or email rsg@wayne-county-engineer.com
